

Gallatin River Guides (www.MontanaFlyFishing.com; 406-995-2290) is Big Sky's oldest and largest fly fishing store and guide service. They offer professionally guided fly fishing trips and instruction on the Gallatin, Madison, and Yellowstone Rivers, and in Yellowstone Park. They also rent gear for anyone wanting to try fly fishing on their own...but hiring a guide is highly suggested if not considered the best way to fly fish in the area. They are offering the following special rates. YOU MUST MENTION you are with the International Bison Conference to take advantage of the special rate. All trips meet and end a Gallatin River Guides in Big Sky. Gallatin River Guides is 15 minutes from Big Sky Resort.

Guided fly fishing trip rates are All-Inclusive: personalized guide service, wading and fishing gear, tackle, flies, non-alcoholic beverages, and lunch on full days. **Not included are a fishing license or permit, guide gratuity, and a 3% Big Sky community resort tax.**
