Notes from Sale Chairman Dick Gehring	Feed and interest are still high. That hasn't stopped the confidence in the market place this year.												
	Prices were higher across the board this year and tracked with other sales around the country. Quality was paid for.												
	Bidding was strong on 4 weight calves with the majority bringing \$3.00 to \$3.30. Fly weights brought the average down as usual.												
	Heifer calves average was \$2.40. The majority of solid heifers in the 4 weight range brought \$2.35 to \$2.40.												
	All calf prices were steady for quality and sizing within classes. Light and fly weight prices were off, as they should be.												
	We saw an interest in breeding prospects with heavy heifer calves bringing \$3.30 a lbs. On the opposite end of the spectrum prices were around \$1.70.												
	Disadvantaged animals continue to wreak havoc on sale averages. The reason for breaking the classes down (seen above) is to reflect market accuracy.												
	Prices were higher across the board this year and tracked with other sales around the country. Quality was paid for.												
	Heavy weight quality yearling bulls were being bought for breeding in the \$2.80 range.												
	Yearling bulls in the medium weights were \$2.5, heavy weights were \$2.40 with the light and fly weights averaging \$2.60. Disadvantaged yearlings were \$1.39.												
	Yearling heifers for breeding were \$2.40 while the heavy range were \$2.20, with medium to light weights averaging \$1.75 or lower and disadvantaged stock was around \$1.12.												
	2 Yr Bulls weren't really tested with just 4 head.												
	2 Yr open heifers weren't really tested with just 3 head.												
	Young Bred cows in good shape and quality were once again in the \$1400 range while older bred sold for slaughter price.												
	Younger opens brought \$1.18 to \$1.38. Older brought \$.65 to \$1.16.												
	This was our 34th year at Farmers and Ranchers and our hats are off to Mike, his crew, and our crew. From all of us at the KBA Sale.												
	Live sales are the one true price discovery for this industry. Consider selling your stock with us. We'd love to have you.												
	Thanks to buyers and consignors. It was our pleasure. For those that missed the opportunities, be there next year.
