Notes							
This year bull calves were pretty steady at \$2.00							
Heifer calves average was \$1.56, the majority solid heifers in the 4 weight region brought \$1.67. Mid to lights were \$1.64							
Heifer calf prices were steady for quality and sizing within classes. Light and fly weight prices were off, as they should be.							
Disadvantaged animals wreak havoc on sale averages. The reason for breaking the classes down is to reflect market accuracy.							
Yearling bulls in the medium weights were \$2.15, heavy weights were \$2.10 with the light weights averaging \$1.97							
Yearling heifers in the heavy range were \$1.78 with medium to light weights averaging \$1.56							
2 Yr Bull heavy weights were \$1.73 with mediums at \$1.54. Lights and disadvantaged were \$1.00							
2 Yr open heifers were steady at \$1.27							

Heavy weight bred heifers brought \$1400. Lighter weights brought \$900.							
The drought, packer availability, and the sheer number of cows across the country coming to town crippled our cow market.							
Bred cows 1200 lbs or better averaged \$1675. Lighter weight breds sold for less than slaughter price.							
Open cows were less than slaughter price.							
From all of us at the KBA Sale, Thanks to buyers and consignors. It was our pleasure. For those that missed the opportunities, be there next time.							
Dick Gehring
