195	Sale Notes							
196	Prices were all over the board as was quality and sizing within classes.							
197	I believe there was a tremendous take home message from the commercial feeders.							
198	That message was simple, deliver quality or leave them at home.							
199	Animals that were of decent size and taken care of, brought solid prices. Not high but solid.							
200	Prices for under weight animals suffered, as feeders know it takes a lot to get these disadvantaged animals to market							
201	in an efficient manner.							
202	Low quality was not of interest to commercial feeders as they feel that can't buy them cheap enough.							
203	In spite of the uncertain market we had a number of folks take advantage of the opportunity to purchase replacements							
204	at a good price. Many producers took advantage and they will reap the rewards for years to come.							
205								
206	From all of us at the KBA Sale, Thanks to buyers and consignors. It was our pleasure.
