All testing and compliance with State and Federal transportation laws are the responsibility of the buyer. No testing facilities on site.

All bison will be sold by the head. Buyers may bid on any number of bison. All bison will be sorted; gate cut if purchased in less than full lots.

The Nature Conservancy will make every effort to insure all lots are filled according to the bid sheet. However, the actual number of animals may vary slightly.

Bids must be received by Friday January 26, 2018.

Load out of lot 1, 2, and 5 will be scheduled with the successful bidder February 19-23, 2018.

Load out of lot 3 and 4 will be scheduled with the successful bidder January 29-February 2, 2018.

Weather or logistic delayed load outs will be scheduled ASAP.

All ownership and responsibility for the bison transfer to the successful buyer once safely loaded on the buyer's transportation.

Buyers may view the bison prior to bidding by scheduled appointment with the ranch.

Payment in full to be made to The Nature Conservancy upon loadout.
