### Invitation to Bid

The Oglala Sioux Parks & Recreation Authority invites bids from bison producers to purchase excess yearling bison: Potential bidders must have a truck and trailer ready to pick up bison upon completion of our round ups in Slim Buttes, Yellow Bear and South Pastures. Once buffalo go through our chute and are weighed they are the winning bidder's responsibility. Also, when buffalo are going through the chute OSPRA ear tags will be cut off. If the winning bidder has tags we will tag the buffalo for them. OSPRA staff will assist in loading buffalo. If winning bidder cannot pick up buffalo upon completion of our roundup, arrangements must be made with OSPRA and yard fees will be assessed. OSPRA will not be responsible for any injuries or death of buffalo while they are in the pens. If the winning bidder is from out of state, OSPRA will bring in a vet and the winning bidder will be responsible for all costs to transport out of state, i.e., health certificates, bangs tags, etc.
