WELCOME TO THE 2023 GTSS!

Welcome to the 2023 National Bison Association Gold Trophy Show and Sale (GTSS)! We thank you for your interest in this classic bison auction, now in its 43rd year. First and foremost, we want to thank the judges, consignors, buyers, volunteers, sponsors and National Western Stock Show (NWSS) for making this the nation's premier bison breeding stock show and sale. Without the expert handling provided by the GTSS "buffaleros" and the many volunteers that pitch in to make it a success year in and year out, we wouldn't be able to make this the sale that it is.

Under the mission of "to create an environment where producers can compete to establish the value of their bison in the current marketplace", the Gold Trophy Show and Sale has been offering top-quality bison stock, and is the trusted source for high performing breeding stock in today's bison business. This is your chance to diversify your herd's genetics from proven breeding performers in both the bull and heifer classes.

Based on today's market conditions, we are offering a new Pen of 3 Yearling Heifer class, which replaces the Ranch Ready Yearling Heifer Class Pen of 5 Yearling Heifer class. The new class does not have a weight requirement as the "Ranch Ready" class did. The GTSS Committee retained our other classes, which continue to serve both consignors and buyers well.

This year's entries total over 100 top quality bison in six classes that represent over 20 consignors from across North America who brought their best stock to compete for the gold. Take some time and take a look at these animals in the pens and catch the judges' comments at 8:30 am on Saturday, January 21st in the Del Hensel Bison Pens at the NWSS Livestock Events Center at National Western Stock Show.

Thank you to our GTSS Trophy Sponsors for supporting this year's consignor awards, as well as Rocky Mountain Natural Meat for donating the GTSS Banquet Dinner bison steaks.

The Gold Trophy Show and Sale is a classic livestock auction at the National Western Stock Show in Denver, Colorado. I'm glad you are able to participate in this year's event, and we thank you for supporting bison.

Sincerely,

Jim Matheson
National Bison Association Executive Director

Real time bidding will be available on the National Bison Association's Gold Trophy Show and Sale via the internet. Live audio and live video will allow buyers to bid on lots just as if they were present at the auction.

Please register early, as a buyer must create an account prior to the auction. Go to CCI.live to set up your account and for more information.

AUCTION TERMS AND CONDITIONS

METHOD OF PAYMENT: Acceptable forms of payment include: cash, cashier's check, money order, personal check, credit cards (Visa, MasterCard, American Express, Discover). There will be a 4% convenience fee on credit card transactions.

BID NUMBERS: Bidder numbers will be issued at 9:00 am on Saturday, January 21 at the Stockyard Event Center Sale Arena clerking office. **First time buyers will be required to present a valid and irrevocable bank letter of credit that states a specific dollar amount the bank will guarantee on a check written by the purchaser at the 2023 GTSS.**

HEALTH: Interstate health papers will be furnished for each animal. All animals auctioned have tested negative within 30 days of sale for T.B., brucellosis and BVD (Bovine Virus Diarrhea). All yearling and two-year-old bulls have tested negative for Trichomoniasis and satisfactorily passed a semen test. All yearling females have tested not pregnant. Two-year-old and older females have tested pregnant. All animals have been injected with Ivermectin (dewormer) 1-10 days prior to sale date. All optional tests must be in accordance with federal regulations and must have been administered within 30 days of sale date. In addition, all consignors confirm that all administered health care products on GTSS entries meet NWSS requirements.

ANNOUNCEMENTS: Announcements made on sale day will take precedence over any printed material in the catalog or advertisements.

GUARANTEE: All animals are guaranteed as represented by the owners. All females vet checked with calf will be announced sale day. The NBA, auctioneer, and sale management act only as agents. All guarantees are strictly between the consignor and the purchaser.

LIABILITIES: The NBA acts only as agent and will assume NO RESPONSIBILITY in the event of injury or death to an animal or of a discrepancy between the buyer and the consignor. The NBA assumes NO RESPONSIBILITY for any animal before, during or after the Gold Trophy Show or Sale. Consignor bears all risk of injury or loss for each bison until the auctioneer announces it is sold. Thereafter, the bison is the property of the purchaser, and the purchaser thereafter bears all risk of injury or loss.

Every precaution will be taken to safeguard the welfare of the bison sold. All persons who attend the sale do so at their own risk. The NBA, the auctioneer, and the National Western Stock Show assume NO RESPONSIBILITY for accidents or losses that may occur.

LOAD OUT TIMES: Saturday, January 21 - Immediately following the sale until dark, or Sunday, January 22 - 7:30 a.m. - 12:00 p.m.(noon). NO ANIMALS WILL BE LOADED AFTER DARK or BEFORE DAYBREAK. All animals must be removed from the NWSS grounds by 12:00 p.m. (noon) on Sunday, January 22. NO EXCEPTIONS! If you are purchasing animals online, please make transportation arrangements prior to the auction.

*Thank you to our consignors for continuing to support these classes
Thank you to our live animal judges, Dr. Gerald Parsons, DVM & Les Kroeger*

*Auction will be called by Quality Auction Services, Inc.
Jud Seaman, auctioneer and Karen Conley, breed representative*

2023 CONSIGNORS

101 BUFFALO RANCH & BLACK WOLF, LTD.

John Davis • 41690 Valley View Ct., Elizabeth, Colorado 80107 • 303-506-5064

101 Buffalo Ranch is based in Elizabeth, CO and has been raising bison since 1994. We decided to show our animals in 2016 and won Rookie of the Year. We have since garnered numerous Gold and Bronze awards at the GTSS.

Our herd consists of all past GTSS champions and our sire is Big Jake (grandson of Mr. Big, North America's leading sire) and our cows are from Snyder Land & Development and Wolverine Bison Company.

2J BISON

Joe & Bonnie Brown • PO Box 96, Terreton, ID 83450 • 208-663-4602

We have a small herd of quality animals, with the genetics originating with animals from Red Canyon Ranch, Thermopolis, Wyo. We feed our bison herd only grass and hay. This is our sixth year to consign to the GTSS. 2J bison calves have earned numerous gold, silver, bronze, grand and reserve champion awards from both GTSS and Western Bison Assn.

ARIZONA BUFFALO COMPANY

Mary Adams • 20715 W Beloat Road, Buckeye, AZ 85326 • 303-974-0625

Arizona Buffalo Company has locations both in Buckeye, AZ and Evergreen, CO. Our breeding stock here in Evergreen is home to many award winning female bison, as well as the 2019 Silver winning two year old bull. Our 2023 heifer calf entry is from the CO ranch.

BADGER BASIN RANCH, INC.

Frank Wolthuis • 33145 Highway 9, Hartsel, CO 80449 • 720-220-7979

Badger Basin Ranch is a 3,000 acre ranch located in central Colorado with the South Platte River and Four Mile Creek running through the property and several year round springs. Our bison enjoy life on the range, are all natural grass fed, and are rounded up once a year.

BROWN'S BUFFALO RANCH

Garrett & K'Dean Brown • 720 Stephens Blvd., Nyssa, OR 97913 • 208-739-6168

Brown's Buffalo Ranch was established in 1972 and is now a 4th generation bison ranch. We run four herds on separate ranches to keep the genetics diverse. Our bull battery consists of Silver Creek, Irish Creek, and Snyder Land and Development. Along with the cow herds, we also having a feeding operation and a meat processing facility.

BUFFALO DANCE BISON

Casey Byrd • 30356 Bison Road, Presho, SD 57568 • 605-892-2119

Buffalo Dance Bison first purchased bison in 1990 and currently owns over 100 head of cows, including many purchased at GTSS. Primary herd lineage includes award-winning animals purchased at GTSS and the Black Hills Buffalo Classic. Buffalo Dance Bison has consigned animals to the GTSS for many years and has received numerous trophies, including Producer of the Year. The ranch also has competed at the Black Hills Buffalo Classic.

BUFFALO RUN RANCH

Joe Sorenson & Wade Klingler • 4639 E Bench Creek Rd., Kamas, UT 84036 • 435-619-1802

The Buffalo Run Ranch property was purchased by Joe Sorenson in 2009 and is located 30 miles east of Park City, UT at the base of the Uinta Mountain Range. The ranch has some unique pasture ground that ranges from the Provo River bottoms to high mountain meadows and had once been the home of a small bison herd. After his purchase Joe quickly reintroduced bison to the ranch, building his herd over the next several years, purchasing the top animals from sales across the United States and Canada. The ranch currently runs 140 breeding cows with the primary herd lineages coming from Snyder, Silver Creek, Irish Creek, Byrd and Lyman herds. The ranch is managed by Wade Klingler with lots of help from his five kids and wife Kristen, who helps manage and run the onsite meat store and a newly restored Airbnb rental cabin. Please come visit us. For more information you can go to our website at www.buffalorunranch.com or contact Wade at wade.klingler@endeavorcap.net

2023 CONSIGNORS

CAMMACK BUFFALO RANCH

John & Melanie Cammack • 16800 Old Stoneville Road • Stoneville, SD 57787 • 605-985-5289

The Cammack Buffalo Ranch is operating in the fifth generation and is located in Stoneville, SD. John manages the ranch with his Uncle Lane. His dad, Mike, lives in Alaska, acting as the not-so-silent partner. John and Melanie's built-in workforce include: Jayda, 21 and Rachel, 20, both of whom are on their own but come home to help as needed. Taber is a junior and Shanni is 7th grade.

We bought our first 22 buffalo in 1999 and have slowly built our herds to 750 cows. We DNA test our herds to help us select the best possible replacement heifers and breeding bulls. The bulls go through additional performance tests so we can evaluate their feed efficiencies on 100 percent grass and then a feed test to ensure long-term production on the ranch.

Please see our website for more information, www.cammackbuffaloranch.com or email John at bowhunter4life@gold-enwest.net.

CHERUKARA RANCH

Tommie & Liz Simon • 841 Azusa Cir., Lawton, OK 73505 • 832-248-4062

Cherukara Ranch is a first-generation bison ranch started in 2019, and owned and operated by Tommie and Liz Simon. We are located in Lawton, OK. We currently have about 60 animals separated into two herds, with plans to grow.

Our cow herd genetics are from Comanche Buffalo, Irish Creek, New Beginnings, Wichita Buffalo, Wolverine and Canadian River. Bulls are Comanche Buffalo, Silver Creek and a recently added Wolverine bull. The herd is culled yearly for reproductive success, dark color, and quiet temperament. We typically calve late May through July. Animals are on native pasture year-round with free choice Redmond mineral available. Cubes given weekly with herd checks and pasture rotations. Native hay in the winter with protein blocks available. Animals are worked once yearly in the winter.

Stop by if you are ever in our area. We'd love to show you our operation.

DEEP CREEK RANCH

Alan & Victoria Oborny, Mgrs. • 465 Deep Creek Rd., Choteau, MT 59422 • 785-623-7958

Deep Creek Ranch is located on the Rocky Mountain Front west of Choteau, MT. The ranch is a mixture of native rangeland, timbered slopes, rugged canyons and rolling plains.

The Deep Creek bison herd was established in 2007. Our current herd consists of approximately 250 producing age cows with a total herd size of 700. The development of the bison herd continues through a very selective breeding program along with occasional purchases from industry leading producers. Deep Creek bison are chosen by personal preference to exhibit the phenotypical traits of Plains Bison. We pride ourselves on allowing our bison to produce and thrive on native rangeland grazing with very minimal inputs under what some would consider rather harsh climactic conditions.

Entering our bison into the Gold Trophy Show & Sale stems from our desire to showcase the quality bison our program produces. All bison, regardless of age are managed as a single herd on Deep Creek.

HEIM LAND & BISON

Alex & Cassie Heim • 26727 266th St., Wood, SD 57585 • 605-770-6190

Heim Land & Bison is owned and operated by Alex and Cassie Heim, just outside of Wood, SD. They have three young boys, Luke (8), Kingston (3.5), Blaise (1.5), who keep things upbeat daily! Thunder Creek runs through the heart of the ranch making it a bison paradise. Heims continue to add new powerful genetics to their herd each year to continue the genetic improvement of their animals. They have purchased bulls and females from the GTSS and the DTBA performance tested classes. Heims are strong believers in performance tested animals and have enjoyed participating for the past few years. Along with their 850 bison cow operation, they also operate two bison feed yards and know firsthand the importance of quality genetics. For more information feel free to contact Alex anytime. God Bless America!

INDIAN PASS RANCH

Randy & Sue Gaskill • 15205 US Highway 40, Kremmling, CO 80459 • 970-846-5616

Indian Pass ranch is located between Kremmling, CO and Rabbit Ears Pass. Our calves are raised at around 8000 feet in elevation, grazing on high protein mountain grasses and clover. Because of the quality of the feed and the low stress environment, our calves gain and develop in the most natural way. Our Bull "Wyo" is a Snyder Land and Development bull and has an excellent disposition. Our cows also have quiet, calm demeanors and we try to keep it that way- never rushing anything whenever we are around them and accustoming them to humans. We are proud of our animals and we are sure the buyer of our calves brought to the Gold Trophy Show and sale will be pleased with their purchase.

2023 CONSIGNORS

MILLER BISON & LAND, LLC

BJ Miller • 15657 Firth Road, Adams, NE 68301 • 402-416-0206

Miller Bison is a family operation that began in 1995 with the purchase of 20 heifers from Custer State Park. From humble beginnings, we set out to craft something better for our families, friends, and anyone else that was seeking a healthy addition to their diet. Along the way NebraskaBison.com was created, and for over 20 years we have proudly been feeding families across the United States.

The family has grown into a multistate operation in Nebraska, Missouri, Colorado and internationally to Canada. BJ Miller now manages the family's breeding program, consisting of 200+ breeding cows. Herd lineage has been hand selected from some of the best herds across North America, including several purchases of award winning bison from the GTSS and others. Our two year old bred heifers we are offering at the 2023 GTSS are bred to last year's GTSS 1st place yearling bull from Silver Creek Bison, Nolan Miller, Binscarth, Manitoba.

We are looking forward to presenting at this year's Gold Trophy Show and Sale.

PLATTE RIVER POWER AUTHORITY - RAWHIDE ENERGY STATION

2000 E. Horsetooth Rd, Ft. Collins, CO 80525 • 970-226-4000

Platte River Power Authority first purchased bison in 1983 to occupy the rangeland surrounding the Rawhide Energy Station in Northern Colorado. These majestic animals play a very important role in our commitment to be good stewards of the land. Its primary herd lineage came from Custer State Park, M-Line and Colorado Bison Co - Ft. Peck. Rawhide has been a GTSS consignor since 1986 and has seen its bison win numerous awards over the years. The operation continues striving to maintain top quality animals with an emphasis on herd health and vitality.

SHOEMAKER BISON RANCH, LLC

Chase Shoemaker • 5480 Adams Rd., New Plymouth, ID 83655 • 208-739-6419

Shoemaker Bison Ranch was established 1980. We currently have 110 breeding females in southwest ID. We have been using bulls from Snyder Land & Development and Silver Creek for the last 15+ years. We have purchased heifers from Silver Creek, Brown's Buffalo, Snyder Land & Development, Gold Trophy Show & Sale, and Wester Bison Assn. show and sales over the years. We also finish out 80+ head of feeder animals on grain and 20+ on grass and market them in Idaho.

SNYDER LAND & DEVELOPMENT

Rex Snyder • 39955 Business Loop I-80, Lyman, WY 82937 • 370-747-4411

TATONKA RANCH

Trent Schwitzer • PO Box 671, Melville, Sask, Canada S0A 2P0 • 306-730-6267

TRAILS END RIVER BISON

Dixie Byrd • 30356 Bison Road, Presho, SD 57568 • 605-895-2119

Trails End River Bison first purchased bison in 1976. Its primary herd lineage is from some GTSS animals but mostly home-raised. The Byrds have been consignors to the GTSS every year since 1986, making 2023 the 38th consecutive show! Since 1990, they have won 158 Gold trophies and eight Producer of the Year awards. They have several GTSS-purchased animals in their herd. Trails End River Bison also has shown and placed at the Black Hills Buffalo Classic, including winning its Producer of the Year Award. Some of our animals are registered/certified with the North American Bison Registry.

WOLVERINE BISON COMPANY

Mark Silzer and Cec Stumborg • Box 2773, Humboldt, SK Canada S0K 2A0 • 306-682-4933 (Mark); 306-682-3987 (Cec)

Wolverine Bison was founded in 1994 by partners Jane and Cec Stumborg and Denise and Mark Silzer and is located in central Saskatchewan near Humboldt. The current herd originated from a Plains Bison genetic base that was imported from the United States in 1982. The original group provided a strong foundation from which to build. The herd continues to be built on exclusive Plains Bison genetics and is part of the Conservation Herd Registry in Canada and the US. All animals in our herd have been DNA tested to confirm parentage and Plains genetics.

Meticulous record keeping, attention to detail along with a discerning selection process has developed into an award winning herd. Replacement animals finding their way into the herd are selected for performance with particular attention given to length, width and muscling.

Wolverine Bison has won numerous awards for their stock over the past twenty eight years. In addition to the individual awards, the company has also received the Producer of the year Award at the National Show in Canada and the Gold Trophy Show and Sale in Denver. Aside from the awards, the greatest testament to the quality of the animals comes from standing purchase orders for stock and a repeat customer base that continues to add Wolverine Bison genetics to their breeding programs.

Whether being used to complement and strengthen Plains Bison genetics in an existing herd or making a strong contribution in a Woods/Plains Cross program, Wolverine Bison stock has something to offer.

TWO YEAR OLD BRED HEIFERS

Sponsor of Class Trophies: **Adams Natural Meats**

LOT	RANCH & OWNER	PLACE	WEIGHT	PRICE
<i>White</i> 201	Snyder Land & Development - Rex Snyder, Lyman, WY Heifer received an 8-way vaccination and injectible dewormer.			
<i>White</i> 203	Indian Pass Ranch - Randy Gaskill, Kremmling, CO Heifer is sired by Dakota, featuring Cammack Buffalo Ranch bloodlines. All our animals are on high mountain grass which has high protein content. Free choice salt, mineral blocks and tubs. No special feeding programs has been given.			
<i>White</i> 205	Deep Creek Ranch - Alan Oborny, Mgr., Choteau, MT This heifer had a weaning wt of 492 lbs on 12/11/20; yearling wt. of 786 on 12/10/21 and a two year old weight of 1064 on 12/8/22. GTSS two year bred heifer candidates are selected from the top 12% of bred heifers raised on Deep Creek Ranch. These Top Cut two year heifers averaged 1118 lbs. on 12/10/2022. Our replacement heifer program focuses on producing exceptional cows who are expected and required to perform under our rotational rangeland grazing program. Protocol to produce replacement heifers: The top 70% of heifer calves produced each year are returned to the main herd following our annual "Bison Works". The weanlings are expected to grow and prosper under the same seasonal conditions as the cow herd. The following season, as yearlings we again select the top 70% to remain on the ranch for their second year. The two year heifers are bred under multiple sire conditions by rigorously selected herd sires.			
<i>White</i> 206	Heim Land & Bison -Alex & Cassie Heim, Wood, SD White #206 is sure to be a calf raiser that someone could enjoy starting a herd with or adding some nice genetics to their existing herd. She was picked from a large group of bred heifers that were developed and bred on grass. She has had range cake and supplemental feeding since early November to aid with growth and development to ensure good body condition coming through winter and calving in the spring of 2023! She is bred to quality bulls that come from the Heim bull battery. She was ultrasound tested on October 4th to confirm pregnancy and ensure that she will be an early calving heifer. On December 31, 2022 she weighed in at 1143 lbs.			

PEN OF TWO - TWO YEAR OLD BRED HEIFERS

Sponsor of Class Trophies: **Adams Natural Meats**

LOT	RANCH & OWNER	PLACE	WEIGHT	PRICE

HEIFER CALVES

Sponsor of Class Trophies: **777 Bison Ranch**

LOT	RANCH & OWNER	PLACE	WEIGHT	PRICE
<i>White</i> 1	PRPA - Rawhide Energy Station - Ft. Collins, CO Calf born 5/4/2022. Mother's bloodline from D18/Viking (Bull). Sire is George, the Grand Champion bull from 2019 .			
<i>White</i> 2	Cherukara Ranch - Tommie Simon, Lawton, OK Comanche Buffalo sire x Comanche Buffalo dam. This calf is all black out of our favorite line of black animals that go back to a black bull named Black Cloud. Mother is tall with frame and very correct legs. Sire is on the inside cover of the GTSS catalog. Winter coat did not come out in our mild Oklahoma winter, so she is in her everyday clothes. Weaned about a month prior to sale with access to prairie hay and supplemented with oats and alfalfa mix cubes.			
<i>White</i> 3	PRPA - Rawhide Energy Station - Ft. Collins, CO Calf born 5/8/2022. Mother's bloodline Sarge and Diamond Tail. Sire is George, the Grand Champion bull from 2019.			
<i>White</i> 4	Cherukara Ranch - Tommie Simon, Lawton, OK Comanche Buffalo Sire x Wichita buffalo dam. This calf is out of a longer framed brown cow bred to our black Comanche buffalo bull. Weaned about a month prior to sale with access to prairie hay and supplemented with oats and alfalfa mix cubes.			
<i>White</i> 5	Arizona Buffalo Company - Evergreen, CO Sire: Yellow 230. Calf received Bovine/brucellosis on 10-24-22. Weight was 417 lbs. on 10-24-22. She has been only grassfed alongside all of our Evergreen, CO herd. Dam is from 2019 GTSS Bronze winner out of 2J Bison, with a Beldon Bison Ranch sire, who was the 2019 GTSS second place in the two year old bull class. Weaned on 10/21/22.			
<i>White</i> 6	PRPA - Rawhide Energy Station - Ft. Collins, CO Calf born 5/15/2022. Mother's bloodline Sarge and Diamond Tail. Sire is George the Grand Champion bull from 2019			
<i>White</i> 7	Deep Creek Ranch - Alan Oborny, Mgr., Choteau, MT Calf weighed 534 lbs. at weaning. GTSS heifer calf candidates are selected from the top 10% of calves produced on Deep Creek. All calves were weaned Dec. 6-9- 2022. The "Top Cut" heifer calves averaged 527 lbs at weaning. Weaned calves are returned to native rangeland grazing. Quality mixed grass hay and 14% all-natural range cake are provided to meet their nutritional requirements. Final GTSS entrants are selected for growth and conformation.			
<i>White</i> 9	Heim Land & Bison -Alex & Cassie Heim, Wood, SD White #9 Has grown well through the fall and early winter showing potential to make what we believe can be calf raiser! She weaned off her mother at 536 pounds on 12/8. She was selected out of "Korb Herd" which encompasses a very young set of plains-based cows and sired by plains-based bulls purchased through GTSS and the Young Guns. Since weaning she has been fed a high protein grower ration to promote growth and development.			
<i>White</i> 10	Deep Creek Ranch - Alan Oborny, Mgr., Choteau, MT Calf weighed 536 lbs. at weaning. GTSS heifer calf candidates are selected from the top 10% of calves produced on Deep Creek. All calves were weaned Dec. 6-9- 2022. The "Top Cut" heifer calves averaged 527 lbs at weaning. Weaned calves are returned to native rangeland grazing. Quality mixed grass hay and 14% all-natural range cake are provided to meet their nutritional requirements. Final GTSS entrants are selected for growth and conformation.			
<i>White</i> 12	Deep Creek Ranch - Alan Oborny, Mgr., Choteau, MT Calf weighed 520 lbs. at weaning. GTSS heifer calf candidates are selected from the top 10% of calves produced on Deep Creek. All calves were weaned Dec. 6-9- 2022. The "Top Cut" heifer calves averaged 527 lbs at weaning. Weaned calves are returned to native rangeland grazing. Quality mixed grass hay and 14% all-natural range cake are provided to meet their nutritional requirements. Final GTSS entrants are selected for growth and conformation.			

PEN OF FIVE HEIFER CALVES

Sponsor of Class Trophies: **Platte River Power Authority, Rawhide Energy Station**

LOT	RANCH & OWNER	PLACE	WEIGHT	PRICE
<i>White</i> 51 A-E	<p>Cherukara Ranch - Tommie Simon, Lawton, OK 51a Comanche Buffalo Sire x Canadian River Dam; 51b Silver Creek Sire x Irish creek Dam; 51c Silver Creek Sire x Canadian River Dam; 51d Comanche Buffalo Sire x Wichita Buffalo Dam; 51e Comanche Buffalo Sire x Comanche Buffalo Dam. This pen of five calves is purposely not uniform to allow someone a chance to infuse a great mix of genetics into their program. Calves were sired by Black Comanche Buffalo or Silver Creek Bulls. Dams are Comanche Buffalo, Wichita Buffalo, Irish Creek and Canadian River. This group has it all: width, frame, tall, black, brown, Canadian and US genetics. Two smaller calves were born late. Weaned about a month prior to sale with access to prairie hay and supplemented with oats and alfalfa mix cubes.</p>			
<i>White</i> 52 A-E	<p>Badger Basin Ranch, Inc. - Frank Wolthuis, Hartsel, CO Weaned 12/1/22. No special supplement or feed. High quality grass hay since weaning. Two of these heifers are sired from the 2021 GTSS Grand Champion Bull. Other herd bulls include the Son of Crusher, the last bull offspring from the famous Crusher from Silver Creek Bison and the 2021 Reserve Grand Champion Bull. Calves received all required vaccinations, wormer and testing.</p>			
<i>White</i> 53 A-E	<p>Heim Land & Bison -Alex & Cassie Heim, Wood, SD White 53A-E have grown well through the fall and early winter showing potential to make what we believe can be calf raisers! They were weaned off their mothers at an average of 517 pounds on 12/8/22. They were selected out of “Korb Herd” which encompasses a very young set of plains-based cows and sired by plains-based bulls purchased through GTSS and the Young Guns. Since weaning they have had a high protein grower ration to promote growth and development. Individual weights are 516, 520, 532, 510, and 508 lbs.</p>			
<i>White</i> 54 A-E	<p>Deep Creek Ranch - Alan Oborny, Mgr., Choteau, MT Weaning weights: 54A-530 lbs; 54B-532 lbs; 54C-518 lbs; 54D-526 lbs; 54E-566 lbs. GTSS heifer calf candidates are selected from the top 10% of calves produced on Deep Creek. All calves were weaned Dec. 6-9- 2022. The “Top Cut” heifer calves averaged 527 lbs at weaning. Weaned calves are returned to native rangeland grazing. Quality mixed grass hay and 14% all-natural range cake are provided to meet their nutritional requirements. Final GTSS entrants are selected for growth and conformation.</p>			

BULL CALVES

Sponsor of Class Trophies: **777 Bison Ranch**

LOT	RANCH & OWNER	PLACE	WEIGHT	PRICE
Yellow 21	Cherukara Ranch - Tommie Simon, Lawton, OK Comanche Buffalo Sire x Wichita Buffalo Dam. This is one of our oldest bull calves born in late May. Out of a front heavy cow and sired by our black bull that has genetics back to a black bull named Black Cloud. His photo is on the inside page of the GTSS catalog. Weaned about a month prior to sale with access to prairie hay and supplemented with oats and alfalfa mix cubes.			
Yellow 22	PRPA - Rawhide Energy Station - Ft. Collins, CO Calf was born 5/13/2022. Mother's bloodline is Zuni and Diamond Tail. Sire is George the Grand Champion bull from 2019.			
Yellow 23	101 Buffalo Ranch - John Davis, Elizabeth, CO Calf was born on 5/30/22. Sire is Big Jake, a Silver-winning GTSS bull. Calf has received all required vaccinations, wormer and testing. Calf has had supplemental grain, quality hay and mineral licks. Dam was a past silver NBA champion, sire is also past silver champion and great grandfather was Mr. Big, all-time leading NBA sire. Big Jack produces extremely large animals and has been our single sire for the past ten years.			
Yellow 24	Cherukara Ranch - Tommie Simon, Lawton, OK Comanche Buffalo Sire x New Beginnings Ranch Dam. This bull calf is dark and long. Dam was a fast growing calf who calved as a 2 year old. Expect him to look like his sire on the inside cover of the GTSS catalog. Weaned about a month prior to sale with access to prairie hay and supplemented with oats and alfalfa mix cubes.			
Yellow 25	PRPA - Rawhide Energy Station - Ft. Collins, CO Calf was born 5/1/2022. Mother's bloodline is Original PRPA bloodline. Sire is Sarge, purchased at the GTSS in 2015.			
Yellow 26	Deep Creek Ranch - Alan Oborny, Mgr., Choteau, MT Calf weaned at 588 lbs. GTSS bull calf candidates are selected from the top 10% of calves produced on Deep Creek. All calves were weaned Dec 6-9-2022. The "Top Cut" bull calves averaged 567 lbs. at weaning. Weaned calves are returned to native rangeland grazing. Quality mixed grass hay and 14% all-natural range cake are provided to meet their nutritional requirements. Final GTSS entrants are selected for growth and confirmation.			
Yellow 27	PRPA - Rawhide Energy Station - Ft. Collins, CO Calf was born 4/20/2022. Mother's bloodline is Cold Creek. Sire is Sarge, purchased at the GTSS in 2015.			
Yellow 29	Deep Creek Ranch - Alan Oborny, Mgr., Choteau, MT Calf weaned at 570 lbs. GTSS bull calf candidates are selected from the top 10% of calves produced on Deep Creek. All calves were weaned Dec 6-9-2022. The "Top Cut" bull calves averaged 567 lbs. at weaning. Weaned calves are returned to native rangeland grazing. Quality mixed grass hay and 14% all-natural range cake are provided to meet their nutritional requirements. Final GTSS entrants are selected for growth and confirmation.			

BULL CALVES

Watch the Sale on CCI.live!

*The best, the fastest and most
comprehensive marketing & bidding tool!*

How to Bid Online...

- **As a buyer**, you do not need an account or to login to watch the sale but you must have a validated account to bid.
 - After you are logged in, you must proceed to the sale page for any and every auction and click **"Get Buyer Number."** Some auctions require a pass-code to obtain a buyer number even after you are approved by CCI.live. Pass codes generally come from the sale manager or ranch for that particular sale.
 - CCI.live will operate with ease on a **cellular device, laptop, desktop or tablet.**
- A **modern or current browser** is important and will make your experience better. You do not need to install the app on cellular devices to watch a sale. CCI.live is a browser-based application meaning it will play on most new browsers, but you can also download the CCI.live app at the Apple App Store or through Google Play.
- **For successful bidding you must have good Internet service!** It is very important to be stationary. If you are driving and bidding, expect to have some service issues. If you are stationary on a good device, with healthy Internet, expect a very successful bidding environment. If you have slow Internet watch the "asking price" on the screen - it is real time and refresh your browser if you feel like you have some lag.
- **Support line open during all sales. 405-400-9505** - Please contact the ranches for invoices and trucking.
