

## 2025 Gold Trophy Show/Sale Background Info

Please complete the following form for each animal/pen consigned, which will be published in the sale catalog. This is a great opportunity to further promote your consigned bison. Please complete and return to [karen@bisoncentral.com](mailto:karen@bisoncentral.com) no later than January 1, 2025 to have included in the GTSS catalog. You may also send the information in an email or word document if desired.

**PLEASE NOTE:** If you are including any language that identifies your animals as a specific bison subspecies, plains or woods, or a percentage thereof, they must be tested using the Neogen bison subspecies composition test with the resulting score provided to the Karen Conley, [karen@bisoncentral.com](mailto:karen@bisoncentral.com), and reported in the catalog. Test results must be provided by January 1, 2025 for inclusion in the sale catalog.
